St. Anthony Church Multicultural Choir

Christmas Concert

Sunday, December 10 at 3:00 PM

Back by popular demand! The St. Anthony Church Multicultural Choir will inspire us again with a concert of traditional and multicultural music. This is a unique Christmas event not to be missed! Come for this festive concert, view our art exhibits, and enjoy refreshments and fellowship with each other during this busy season!

The St. Anthony Multicultural Choir has lifted the spirits of people of faith with a variety of musical genres since 2014 and has now grown to seventeen members from Cameroon, Ghana, and Tanzania. They hope to garner interest from other cultures to create a diverse music ministry.
