MARTIN DE PORRES CENTER
2330 AIRPORT DR.
COLUMBUS, OH 43219

Join us for a screening of the documentary by Michelle Obama "We Will Rise" following a discussion on supporting girls in Central Ohio. Meet organizations focused on providing tools, resources and enriching experiences to girls. This evening is for girls, organizations and parents. When we invest in the development of girls, we empower them to follow their dreams, and become leaders in our communities.
