

# Lenten Journey with Dominic

**Lenten Retreat at the Martin de Porres Center**

**Thursday, March 28; 1:00-4:00pm**

**Facilitated by Mark Butler**

The Nine Ways of Prayers of St. Dominic is a beautiful tradition that provides insight into St. Dominic's prayer life. The movements experienced in the postures and gestures have a deeper meaning that reflect the movement of our interior life toward God. During this Lenten season, take a moment to pause and reflect on St. Dominic approach to prayer and your own shared life with God.

**\$10 registration fee include the retreat and refreshments. Please register by 3/22.**
